

---

**Name: Don Hamil**

**Subject Taught: Introduction to Engineering and Technology**

**Phone number/ 706-216-5801 ext: 1877**

**About Me:**

**I have lived in Dawson County for 23 years. The Dawson County School System has been an important part of all of the years I have lived here in Dawson County. In fact, 20 years ago, while attending a field day event at Robinson Elementary School, I met my wife!**

**My wife is also an educator in Dawson County, and we have five wonderful children who have either attended or are attending schools within the system. This year two of my sons will be with me at the Junior High School, and my youngest son and my daughter will be with my wife at Riverview Elementary School. Our oldest son Jacob will be attending the University of Georgia this fall to begin work on a degree in Atmospheric Science and Geography. My wife and I couldn't be more excited and proud to be part of the Dawson County School System.**

**I am looking forward to a wonderful year in Introduction to Engineering and Technology.**
