About Me:

I grew up in Jacksonville, Florida and moved to Georgia after graduating from Florida State University (Go 'Noles!). This is my 23rd year teaching, and my 5th year at DCJH. Math is my absolute favorite thing to teach, and my husband is also a math teacher. We have two teenagers who are both in high school, two crazy rescue dogs, and two cats who love to harass the dogs. I love watching Braves baseball and FSU football. I'm looking forward to a great year!
